As we prepare to celebrate the birth of Jesus Christ, the churches of Haxby and Wigginton combine to send you Christmas greetings. The image on the front of this card shows the baby Jesus lying in a crib, with two people – perhaps Mary and Joseph – kneeling in adoration. Jesus comes as a light to the world, bringing God's message of hope and salvation to all; it remains an appropriate response for us to kneel in adoration at the crib. We invite you to join us at any of the services listed. We pray that you will know God's peace for yourselves this Christmas time.
