Last year, I was fortunate enough to be welcomed by the S.V.P. into St. Margaret Clitherow Church Community to make an appeal on behalf of vulnerable families in St. Wilfrid's Primary School at Christmas time and was overwhelmed by your generosity. As a result, many families were supported through a stressful time of year and our most vulnerable pupils could enjoy a festive meal and the magic that Father Christmas brings, in the same way as their peers. Now more than ever, given the instability caused by the unprecedented times we are living in, the financial pressure on some families is immense. I understand that these difficulties may well be affecting families within the parish and understand if you are unable to contribute this year. However, if you feel able and would like to make a donation that could make such a tangible difference, please post cheques (made out to St. Wilfrid's RC Primary School) through the presbytery door and it will once again be a privilege to ensure it is received by those most in need this Christmas time. With sincere thanks, Jane Conway, Executive Headteacher, St. Wilfrid's Primary School

First Reading Ezekiel 34:11-12, 15-17 1Corinthians 15:20-26, 28 Matthew 25:31-46

Christ the Shepherd King : In the time of Jesus, Kings were powerful rulers and some were tyrants. But the king Jesus talks about here turns these images upside down. Jesus as king is not focused on riches or power, or inciting terror or fear. Instead he is a fair judge, a shepherd who knows his flock. He invites all those who have acted with justice and generosity to take their place in his kingdom. Jesus' kingdom is centred round charity, compassion and forgiveness. He expects us to treat everyone we encounter with welcome. There are simple acts of kindness we can carry out each day. Such love for others is love for God – ***“In so far as you did this to the least of these brothers and sisters of mine, you did it to me”***

Fr Kevin

Thank you for your continued generosity by way of standing orders and weekly collection envelopes.

Pandemic Reflection “The tragedy we are experiencing at this time summons us to take seriously the things that are serious, and not to be caught up in those that matter less; to rediscover that life is of no use if not used to serve others. For life is measured by love”. Pope Francis
