My dear People

Having had a letter from the Vicar General suggesting that I take special precautions because of the new variant of covid19 in circulation and because I am considered 'high risk' After careful consideration and prayer, I have decided that after this weekend, there will be no more public Masses for the foreseeable future apart from funeral Masses. I am sure you will understand. Let us all stay especially safe. With every Kind wish and blessing.

Kevin

Act now and ask your MP to oppose introducing assisted suicide

The assisted suicide lobby have launched a large campaign to put pressure on the Government to reconsider the legalisation of assisted suicide. It is vital that it is clear to the Government that the public want them to continue to hold strong against this pressure from assisted suicide campaigners and reject their demands. Right To Life UK have set up an easy to use tool which will enable you to email your MP asking them to make it clear to the Government that it should not give into demands from the assisted suicide lobby to reconsider the legalisation of assisted suicide. It only takes 30 seconds to email your MP by visiting the link below:
