**'World Communications Day' is this weekend (31 May / 1 Jun):** World Communications Sunday is an annual day established by Pope Paul VI in 1967, celebrated on the Sunday before Pentecost. It is a time for Catholics to reflect on the role of the media in sharing the Gospel message and to pray for those involved in communications. The theme for 2025 is "Share with gentleness the hope that is in your hearts," chosen by Pope Francis. There will be a collection to help fund this mission in the church.

**HAPPY EASTER**
